

God Is Enough

These hands will declare all the
Greatness of God in me
And my mouth will proclaim all the
wonders He made me see.

Pre-Chorus:

Oh God, reign forever.
Oh Lord, consume me now.

Verse 2

Now Christ is the strength of a heart
that once set in the dark.
In His hope I'm made whole, now His
freedom that saves my soul.

Chorus

Great is your love Oh God in me
Great is your love oh God in me
And I pray that all the world will see,
and know, and sing Your name alone.

Bridge

No longer I, but Christ in me
My heart desires in His majesty
