

Follow You

I glory in Your presence Lord
You mold my heart and make it whole
My soul thirsts for you my God
You fill me to the brim my cup overflows

Make me Your servant
Teach me Your ways
You are my master and
I will follow You everyday

I glory in Your presence Lord
You mold my heart and make it whole
My soul thirsts for you my God
You fill me to the brim my cup overflows

Make me Your servant
Teach me Your ways
You are my master and
I will follow You everyday

Make me Your servant
Teach me Your ways
You are my master and
I will follow You everyday
